Foreword Golf Tournament May 31st, 2024 in Bavel, Breda, The Netherlands

Welcome to the 12th edition of our annual company-sponsored golf tournament, taking place on the course of Princenbosch in Bavel.

With over 100 colleagues from various sites and office locations across Europe gracing the fairways, it's essential to ensure a safe and enjoyable experience for all participants. So, let's keep an eagle eye on safety protocols, both on and off the course, to ensure everyone leaves with nothing but fond memories and perhaps a few pars.

My appreciation goes out to our organizing team who've succeeded in making this event a great annual tradition. It's thanks to their efforts that we're able to enjoy an opportunity to unwind, connect, and create stronger bonds outside the confines of our daily work environment.

As we embark on a day of friendly competition and networking, let's embrace the spirit of our "We Are ExxonMobil" company culture. Wishing everyone a fantastic day either during the clinic or on the course, and may the best team win the Texas scramble!

Best regards,

Welcome

Dear golfers,

Welcome at the 12th ExxonMobil Golf Tournament in the Netherlands.
Our main goal remains the same and that is to have a wonderful day with friends that share the same love for the golfing game.

Due to the large number of participants we had to choose for a different format last year and we will all be playing in a Texas scramble match again in 2024.
Personally, I think this is a fun form. Everyone participates in the teamscore.

*There is however 1 big change made:
All teams will be classified by the organization.
We experienced that the teams were not balanced well enough. This year teams will be better classified by handicap, which means higher and lower handicapped players together.
Request for teams is allowed but only up to 2 persons*

We are glad to organize a, hopefully, wonderful day for the golfers and clinic players.

The golf course is in a wonderful condition and we are sure that Princenbosch will accommodate as good as they have done in the past.

Thanks for your registration, we'll see you on Friday May 31st 2024

Match forms

Texas Scramble playing from the **Blue** T-Markers

Team Match Texas Scramble Stableford

Each player hits a tee shot. You choose the ball you prefer and the other 3 players hit the 2nd ball from that position. (You can place the ball within one club length).

The same goes for the 3rd shot and so on.

On the green all 4 players putt (only replace ball within 10 cm's)

Stableford points are calculated (3/8th) from the average hcp of your flight.

Every player has to use at least 4 tee shots.

Elke speler slaat een bal van de tee. Vervolgens kiest men de beste bal en slaan de spelers de 2e slag, echter degene wiens bal is gekozen slaat niet (plaatsen binnen 1 clublengte van gekozen bal is toegestaan). Zo gaat men door tot de bal is uitgeholed.

Op de green putten alle 4 de spelers (hier plaatsen binnen 10 cm "breedte van score kaart"). Stroke Play wordt berekend aan de hand van het gemiddelde hcp spelend vanaf blauw met 3/8^{ste} verrekening.

Van elke speler dienen tenminste 4 afslagen te worden gebruikt.

Longest and neary (Both Matches)

Off course there will be a longest and a neary. (Men separated from women).

Longest counts only when your ball lies on the fairway.

Neary only applies if your ball lies on the putting green.

If this is the case, write your name on the appropriate form and place the plastic sleeve with form at your ball.

You will recognize the holes on the EM flag and / or signs.

Longest men / women: B4

Neary men / women: A6

Etiquette & Local Rules

Pitch marks

Repair always pitch marks on the green. Try to do one or two more than your own pitch mark.

Divots

Replace always your divots on the fairway and where necessary.

Avoid slow play

Pick up your ball when you cannot make any stable ford points more on that hole. This will keep the speed in the game and less frustrations for the flight behind you.

18 holes

*We are playing 18 holes Course A and B
Course A with Red EM hole flags.
Course B with White EM hole flags.*

Local Rules

Check the scorecard to learn any local rules.

- *Shell paths and places with shells are fixed obstacles and you may avoid them.*
- *Young plants/fauna are marked with blue lint or poles, rule is, ground under repair (GUR).*

Play in the spirit of the game.

HOW TO REPAIR PITCHMARKS:**1**

Zet de pitchvork vlak naast de pitchmark in de grond.

**3**

Herhaal dit enkele malen rondom de pitchmark.

**5**

Duw de ontstane oneffenheid plat met uw putter of uw voet.

**2**

Beweeg de pitchvork naar de pitchmark toe, waardoor de grond zijwaarts naar de pitchmark beweegt en deze weer opvult.

**4**

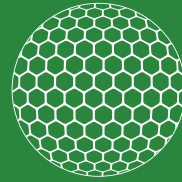

Probeer niet de pitchmark omhoog te 'trekken' door de pitchvork van de pitchmark af te bewegen. De wortels van het gras breken dan en de plek wordt bruin.
